## MEMBER BENEFITS

DRI Europe is devoted to defending European business interests and consists of legal professionals throughout Europe. Members participate in activities that will enhance their practice as well as their understanding of the law while developing relationships with lawyers from throughout Europe and other nations. DRI Europe also has the support of DRI—*The Voice of the Defense Bar*. Founded in 1960, and now with more than 22,000 members, DRI is the largest U.S. legal association for lawyers who represent business interests in regulatory matters, litigation and dispute resolution.

### *Member benefits include:*

- A new and dynamic forum for the exchange of ideas and information about the latest developments in defending businesses in Europe in an increasingly regulated and litigious business environment
- Discounted rates on seminars and webconferences on key issues of interest to our members and the business interests they represent
- Exclusive access to organisational on-line discussion groups focusing on active issues of interest to members
- *For The Defense* — the only monthly magazine for defence practitioners
- DRI Online™ — a proprietary database providing searchable access to seminar materials, newsletters and other valuable content
- *In-House Defense Quarterly* — a magazine that addresses issues of importance for corporate counsel
- Access to several eNewsletters, including *DRI Europe eNews*, *The Voice*, *E-Discovery Connection* and many more
- DRI's Expert Witness Database — a leading repository of expert witness information, where members enjoy exclusive access to a database of over 65,000 plaintiff and defence experts, including contact information and deposition documents
- Discounted rates on the Annual Meeting — the flagship event offering educational programmes, numerous business meetings and a variety of networking opportunities with members worldwide

## GETTING INVOLVED

DRI Europe offers many leadership and networking opportunities. The European Leadership Council, composed of representatives from each country within DRI Europe, has overall responsibility for the activities of DRI Europe. Each country maintains a steering committee that manages the needs of its specific country.

*The following are ways members may become more actively involved:*

- Join planning committees for seminars and webconferences
- Collaborate on articles for DRI Europe publications
- Speak at a seminar or event
- Help organise country based gatherings
- Participate in the growth of a unique, one-of-a-kind organisation

**If you are interested in joining your country's steering committee, please complete the following:**
